Subject: [Diocesan News] North Porch Women and Infants Centers Summer Supply Drive - Supplies Needed!!

Dear Diocesan Friends,

North Porch Women and Infants' Centers will resume services in the Paterson/Clifton area beginning July 1st. We are in need of donations to help jump start the program there as well as to support our other centers in the diocese. The lingering economic effects of the pandemic are still with us. North Porch continues to serve an overwhelming number of families in need in Dover, Hackettstown, Jersey City, Morristown, and Newark.

Join us in helping mothers and infants in need by hosting a drive for North Porch at your parish and also share our need with family, friends, and other organizations outside the church. There are several ways for communities and individuals to donate: in kind supply drives, online supply purchases with direct shipping, online monetary donations, and monetary donations by mail. Our supply needs and donation information are below.

We are so very grateful for all the years of support from the members of this diocese and look forward to helping families in need together for many years to come. If you have questions, please contact our Director, Cynthia Morica deTecso at northporch.director@gmail.com or by phone at (201) 410-0563.

Thank you!

Ellen
